

Group Facilitation Training

Preparing practitioners to deliver our early years family group programme

2-day
course

For practitioners who have completed our Core Training and want to deliver our early years family programme

This course equips practitioners with the skills, knowledge and confidence to lead HENRY programmes and workshops for parents and carers of children aged 0-5

“Brilliant. I'm feeling really excited to deliver the programme now”

Practitioners will:

- Understand the content of the 8-week *Healthy Families: Right from the Start* group programme
- Develop group facilitation skills to deliver the programme in a way that adopts the HENRY approach and builds on parents' strengths
- Feel confident to manage issues that can arise in groups, using listening, empathy and solution-focused support
- Feel confident to use the detailed HENRY group Facilitator Manual and resources
